

Driver Recap – Pre-Ride Checklist

1. Safety First

- Seatbelts on at all times.
- Obey posted speed limits and traffic laws.
- No aggressive passing or tailgating.
- Everyone has gotten a radio.
- Everyone signed the waiver.
- Everyone has a route document.

2. Formation & Spacing

- Maintain safe following distance.
- Zero out odometer point for the cruise.
- Tail to keep headlights on.
- Keep the car behind you in sight.

3. Turns & Intersections

- Use turn signals.
- Will stay stopped until all cars are regrouped.
- Lead car to run slow until all cars can make the turn and regrouped back together.

4. Communication

- Use radios for directions and any issues.
- Point out hazards (potholes, debris, animals).
- If separated, follow route to the next stop.

5. Stops & Regroups

- Designated lead, middle, tail drivers.
- Tail, to announce when group is together to make the turn, and when everyone has made the turn.
- Discuss the planned stops, restaurant.
- Any concerns with Ride. (busy intersections, loose gravel, heavy traffic)
